

AMG Software Module Employee Login | Small Business

Price: \$88.00
Free shipping on US orders

Manufacturer:

AMG Software Module Employee Login

Description

Will allow employees to login into the system, see their timecards, schedules, benefits, as well as generate corresponding reports (if permissions are granted). Additionally, employees will be able to communicate with other employees and admins by sending and receiving messages. They can also submit time off requests which could be approved by the system admins.
