**Price: \$109.00**

XXXXXX

**Manufacturer:**

## **Description**

*Operational Battery Back Up for all Schlage Biometric HandPunch F-Series Time Clocks.*

With our operational battery back up, your handpunch timeclock will remain operable for 2 hours after a power outage.

Please note: This listing includes the adapter module for older series HandPunch clocks. If you are not sure if your HandPunch timeclock is a older series, please contact our HandPunch [technical department](#).
