

# Time Card - For Acroprint ATR-120

**Manufacturer:**

**Price: \$57.97**

The image shows two versions of the Acroprint ATR-120 Time Card. The left version is a weekly time card, and the right version is a bi-weekly time card. Both cards have a header section for Employee ID, Name, and Department. The main body of the card is a grid for recording hours. The weekly card has columns for Morning, Afternoon, and Overtime hours, with rows for each day of the week. The bi-weekly card has the same grid but for a two-week period. Both cards include a signature line at the bottom.

## **Description**

Acroprint ATR 120 Time Clock Printable Employee Time Cards:

Our Acroprint time cards will accompany weekly or biweekly pay periods. The front side of this time card is used for weekly payroll while the back side is used for bi-weekly payroll. Disclaimer section with employee signature allows for verification of worked hours.
